Date 25/01/2024 07:35

Hi all,

Gloucestershire County Council have just launched a Greener Gloucestershire climate change community fund!

The fund is targeted at projects that help reduce carbon emissions **and** spread the word about ways to reduce emissions.

The fund can deliver grants of up to £4,999 to eligible groups. The closing date for applications is the 26th February. This is a short application window as we have very limited funds available.

Full details are available on our website here <https://www.gloucestershire.gov.uk/planning-and-environment/greener-gloucestershire-climate-dashboard/influencing-others/greener-gloucestershire-community-fund/>

Please do spread the word and let any local contacts know about the fund.

If you have any questions please read the website and application form carefully to see if you can find the relevant information and then email glosclimate@gloucestershire.gov.uk

Best wishes,
Kelly

Kelly Osborne (she/her)
Sustainability and Engagement Officer
Gloucestershire County Council

SAVE MONEY AT HOME

- Lights** Find out how to cut your lighting costs by up to 80%
- Heating** Check out our warm home hacks
- Standby** See how much money you could save by turning your appliances off
