

# Hillesley Baptist Burial Ground Trust

2020 – 2021

The Trust has continued to maintain and insure the Burial Ground during the past year with the help of the much appreciated grant from the Parish Council and contributions from friends.

With due regard to Covid restrictions there have been no meetings.

Last year the Trustees agreed that in the event of the PC deciding to take responsibility for the Burial Ground they would be happy to dissolve the Trust on the understanding that the space would remain a facility for anyone in the village or surrounding area.

Following a preliminary discussion between ourselves and the Chairman of the Parish Council we have spoken to someone at the Gloucester Diocesan Board who has some knowledge of these issues and who may be able to assist with any future discussions between the Trust and the PC.
